

School Application Form for Tiritiri Matangi Growing Minds Programme

Name of school:	Decile:
Contact person/lead teacher:	
Email:	Phone:
Date of intended visit:	
Number of students to visit:	(Funds available for up to 85 students per school per year)
<p>If 85 students are booked the school needs to book two trip days on Tiritiri with approximately 42 students per day. We recommend if a school does not have a teacher who has visited Tiritiri in the past two years that they keep their student numbers to approximately 40. For a school and teachers' first time trip to the Island having smaller student numbers at around 30 to 40 is highly recommended.</p> <p>We also recommend that TIC organizes for extra basic food to be brought out and stored on Tiritiri during the day for the ferry trip back ie bread, butter and marmite/peanut butter sandwiches. It is a long day and students often do not bring enough lunch to sustain them throughout the long trip day. Food on the ferry is limited and expensive. Water bottles can be filled up on Tiritiri.</p>
