

Tiritiri Matangi 2020 Photographic Competition

It is that time of year again when we are looking for entries to our photographic competition (and photos for our 2021 Calendar which we expect to raise over \$10,000 for the Island).

We have 5 categories – all photos must have been taken on Tiritiri –

- Fauna
- Flora
- Landscape/Seascape
- People on Tiritiri
- Under 16 years Old.

You can enter 4 photographs in each category, please email them as attachments to photocomp@tiritirimatangi.org.nz before April 30th. We will have an independent judge from the NZ Photographic Society and all photos must be able to be used for the promotion of Tiritiri Matangi.

To help us enter your photos:

1. Photos can be any size that can be attached to an email - 1 to 5MB is good. It's OK to send several emails
2. Photos should not be zipped
3. It would help us with our categorising if you would save them with a name:

AA CC XXXXXXXX

- AA = your initials
- CC = category
 1. FL = Flora/plants
 2. FA = Fauna/animals
 3. PE – People
 4. LS – Landscape/seascape
 5. YP – Young Person (under 16)
- XXXXXX = Photo description (e.g. Tui, Hobbs Beach, kowhai)

For example, if Jenny Smith took a photo of a bellbird: JS FA Bellbird

Peter Topp had two flower photographs: PT FL Flower 1; PT FL Flower 2
