

# TIRI KIDS

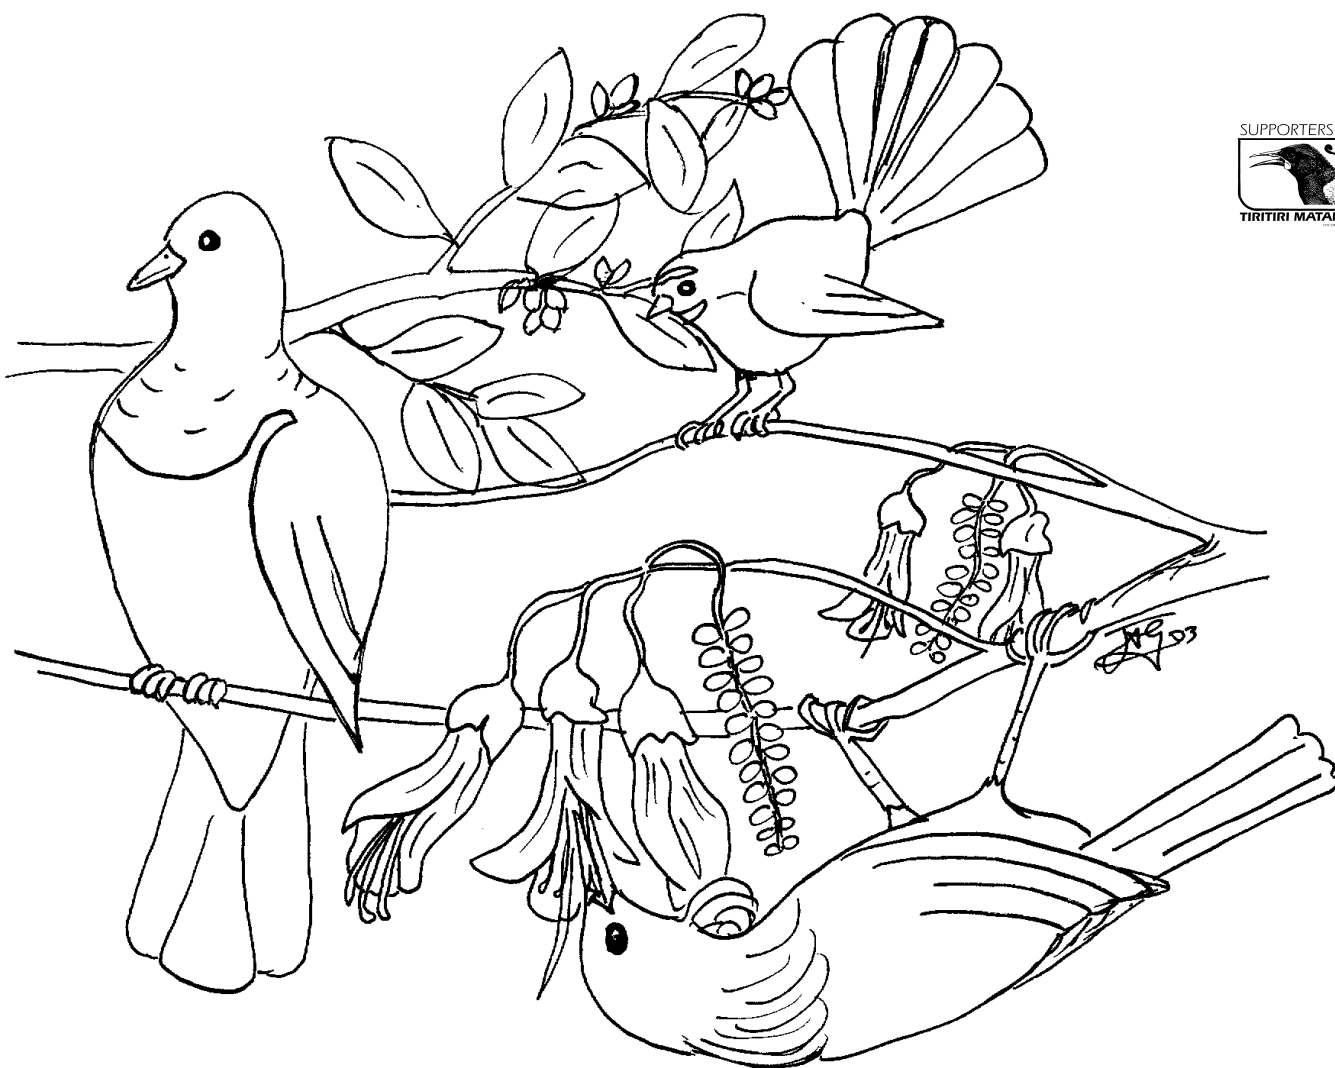

Hand this to your kids – or pass it on to someone else's kids – to enjoy a range of activities about Tiritiri Matangi Island.

Hey everyone,

We have a colouring-in picture for you this time. Spring and summer will bring flowers and fruit to the trees, important foods for some of the birds. The kowhai are flowering already on the island, flax and pohutukawa will soon follow. The birds are looking forward to this – do you recognise the birds and plants in the picture?

We hope you are looking forward to summer too, and will visit Tiritiri to hear all the bird song. Perhaps we will see you on the island on a sunny day – look out for us guiding. Be good.
